Re: SBA Shipyard Superfund Site, Jennings, Jefferson Davis Parish, Louisiana;
CERCLIS #: LAD008434185; Information Request Pursuant to
CERCLA Section 104(e), 42 U.S.C. §9604(e), Information Request

Dear Sir or Madam:

The U.S. Environmental Protection Agency (EPA) is involved in an ongoing investigation of the releases and/or threatened releases of hazardous substances, pollutants, or contaminants at the SBA Shipyard Superfund Site (Site) located in Jennings, Jefferson Davis Parish, Louisiana. This letter seeks your cooperation in providing information and documents relating to the contamination of the Site. A Superfund site is a site contaminated with high levels of hazardous substances that may present a threat to human health and the environment.

The EPA is seeking to obtain information concerning the generation, storage, treatment, transportation, and disposal methods of hazardous substances, pollutants, or contaminants that have been or threaten to be released from the Site. The EPA has information that you may have had a business relationship with the past and/or present owners of the Site or you may have information about the past operations and conditions of the Site.

This information request is not a determination that you are responsible or potentially responsible for contamination that occurred at the Site. The EPA is sending you this letter as part of its investigation of the circumstances related to the Site and does not expect you to pay for or perform any site-related activities at this time. Should EPA determine that you are responsible or potentially responsible for response activity at the Site, you will receive a separate letter clearly stating such a determination as well as the basis EPA has for making such a determination.
